

# FIRE KNIGHT PROSLEEVE GLOVE

Particulate Reduction System

## FIRE KNIGHT PROSLEEVE GLOVE *features*

- 3 layer composite sleeve gold Pioneer outer shell, Stedair 3000 moisture barrier and Nomex IIIA sewn to cuff of Fire Knight structural glove.
- Includes 2" lime/yellow 3M Scotchlite triple trim and postman slide take up strap.
- Designed to fit completely over end of coat sleeve to prevent gaps in thermal protection at wrist area.
- Additional benefit is the reduction of liquid and particulate infiltration at the coat sleeve/glove interface.

 FIRE KNIGHT PROSLEEVE GLOVE: UL certified to meet or exceed current edition of NFPA 1971 Standard.
